CRYSTAL 75

MALT

Great Western Malting's crystal malts are created inside custom-designed roasting drums in order to develop a full, rich sensory profile. Pacific Northwest barley is carefully selected to craft a line of malts that provide a range of flavors from soft and sweet caramel to dark toffee.

IT'S YOUR MALT.

The world's best malt is not created just by algorithms and recipes. Like producing award-winning beer and spirits, it takes a sixth sense, a knowing when the flavor, depth, color and character of the malt is just right. It takes an intuition and an instinct that takes decades to master. We call it *soul*.

For over 85 years, it has been our passion to make perfect malt for craft brewers and distillers like you. Thank you for choosing us to be at the heart of your craft.
