IT'S YOUR MALT.

The world's best malt is not created just by algorithms and recipes. Like producing award-winning beer and spirits, it takes a sixth sense, a knowing when flavor, depth, color and character of the malt is just right. It takes an intuition and an instinct that takes decades to master. We call it *soul*.

For 80 years, it has been our passion to make perfect malt for craft brewers and distillers like you. Thank you for choosing us to be at the heart of your craft.
